

National Curriculum 2014 Planning Document

Bridgewater School Curriculum

Curriculum Drivers are what we feel are essential elements of our curriculum which enable us to meet the needs of our learners, due to the context we serve. They are:

Each theme/topic/context must have:

- Speaking & Listening, language development
- Aspiration & the Secrets of Success
- Enterprise
- Visits & visitors
- Active learning – including outdoors
- Well being – health & emotional
- Community cohesion – work with parents, partners, EAL population & international dimension

Each year group/phase should include at least one of these per year:

Local area, immediate Scotswood, Newcastle, North East

Local Heritage

Regeneration

Curriculum Drivers: Year Planning

	Language, Speaking & listening	Aspiration, Secrets of Success & enterprise	Health & Well being	Community Cohesion - Local Area, national & international, parents & community	Active learning- including outdoors	Visits & Visitors
