2nd November 2017

Dear Kalen,

Thank you very much for your kind donation of £79.50. It was lovely to hear that this was donated after your school photography order from Braiswick Photographic Co Ltd. Please pass on my warmest thanks to all the parents, students and staff at Bridgewater Primary who helped raise this; we really are so grateful for your support. It's through donations like this that we are able to continue our vital life-saving research so your donation really is bringing forward the day when all cancers are cured sooner. We promise to make it count.

I thought you might like to know what a big difference your donation will make to our work. For example, your £79.50 could buy a pair of 'chemical scissors' that our scientists use to chop up DNA in a cancer cell, helping to find hidden secrets and fight back against the disease. Alternatively, it could buy 7 extremely accurate lab timers that help keep our scientists on track when they are doing experiments that need very exact timings. So your donation really is helping to beat cancer sooner!

Thousands of people are alive in Britain today thanks to progress made in cancer research. However, our funds are raised almost entirely through public donations so we rely overwhelmingly on the support of people like you.

If you have chosen to hear from us, we'll keep you updated about the progress we are making and the ways you can support our work in the future. If you would prefer not to hear from us, and haven't told us this already, you can contact us on 0300 123 1022 or at supporter.services@cancer.org.uk to let us know. If there is anything else we can do for you please call us on the number above or you can visit us at www.cruk.org.

One day we will beat cancer. Thank you for helping us make it sooner.

Yours sincerely,

Trudy Stammer
Head of Volunteer Fundraising
