

What must be taught in Art and Design?

## EYs Development Matters:

- Experiments with blocks, colours and marks.
- Beginning to make-believe by pretending.
- Beginning to use representation to communicate, e.g. drawing a line and saying 'That's me.'
- Explores colour and how colours can be changed.
- Understands that they can use lines to enclose a space, and then begin to use these shapes to represent objects.
- Beginning to be interested in and describe the texture of things.
- Uses various construction materials.
- Captures experiences and responses with a range of media, such as music, dance and paint and other materials or words.
- Explores what happens when they mix colours.
- Chooses particular colours to use for a purpose.
- Experiments to create different textures.
- Understands that different media can be combined to create new effects.
- Manipulates materials to achieve a planned effect.
- Create simple representations of events, people and objects.
- Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function
- Represent their own ideas, thoughts and feeling through art

## KS1 NC requirements:

- To know the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.
- To develop a wide range of art and design techniques using colour, pattern, texture, line, shape, form and space.
- To use a range of materials creatively to design and make products.
- To use drawing, painting and sculpture to develop and share their ideas, experiences and imagination.

## KS2 NC requirements:

- To create sketch books to record their observations and use them to review and share their ideas, experiences and imagination.
- To improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (e.g. pencil, charcoal, paint, clay).
- To know great artists, architects and designers in history.
