

PSHE Curriculum intent

PSHE Statement

At Bridgewater Primary School, Personal, Social and Health Education (PSHE) enables our children to become healthy, independent and responsible members of a society. We aim to help them understand how they are developing personally and socially, and tackle many of the moral, social and cultural issues that are part of growing up. We provide our children with opportunities for them to learn about rights and responsibilities and appreciate what it means to be a member of an ever-changing diverse society. Our children are encouraged to develop their sense of self-worth by playing a positive role in contributing to school life and the wider community. We deliver the PSHE curriculum by utilising first-hand experience and sharing good practice. However, we are aware that the delivered curriculum must reflect the needs of our pupils. Our teachers use a PSHE guidance programme to equip pupils with a sound understanding of risk and with the knowledge and skills necessary to make safe and informed decisions.
