

Summary of Priorities for 2019-2021

- Further develop our curriculum intent, implementation and impact to ensure all children receive a good quality of education.
- Embed enquiry based learning into our curriculum.
- Maintain above average attainment and progress.
- Continue to narrow the gap between all groups of learners.
- Continue to develop character, positive attitudes, resilience and ability to self regulate.
- Continue to develop vocabulary knowledge and oracy.
- Continue to strengthen our links with the community to enhance the children's learning.
