

Jesus

Who was and is Jesus?

- Investigate and explore who Jesus was and is and why he is important to Christians.
- Look at some of the stories Jesus taught and the meaning/message behind them.
- Reflect on some of his stories and how we can learn from them today.
- Explore the role Jesus has in Christianity and Islam and why it is different.
- Create a modern story that teaches us to care for one another based on Jesus parables.
- Investigate why children were important to Jesus and the stories he told about them.

Jesus

Parable- a special story Jesus taught.

Compassion-to show care and respect for others.

Unselfish-to think about others before yourself. (What can you do to help someone or what can you say to cheer them up?)

Reflect-to think about something you have read about or discussed and decide what you think about it.

Investigate-to look for further information about a subject using the internet or books.

Explore-search for new information and discuss it with others.

Compare-what have you found out that you agree with or disagree about?

Testimony-a person's personal story about their life and things that have happened to them.

Personal-information about you that others might not know about.
