

**How have the Romans influenced Britain today?**

We learned about Roman soldiers and what they wore. We made our own Roman shields using cardboard, tin foil and papier-mâché.

We carried out research into how the Romans influenced Britain. We learned many interesting facts,

including how the Romans build roads in Britain. Before that, we only had muddy tracks! We also learned how the Romans influenced religion and how they taught people to read and write.

We created posters to show how the Romans have influenced Britain. We are also in the process of creating PowerPoints, which we will present to the rest of the class.
