

Year 1 Turtles

Wheat story

**We explored the wheat fields at the farm.
Farmer Thompson showed us the wheat and the
seeds that come from the plant.**

We collected grass from the fields and fed them to the cows.

Research

We used the ipads to research which food we can make with flour and recorded our findings.

L.O: Research

The farmer ploughs the wheat
seed in his farm
The wheat seeds go in the ground
to make it grow
The farmer plants the seeds in
the soil.
The wheat takes three months
to grow.

make pancakes bread

We looked at some wheat seeds and talked about how it is turned into flour. The children looked at and talked about the difference.

Bread making

We helped to make some bread. It was very hard to mix.

Bread tasting

The Turtles enjoyed tasting the bread that they had made.
