Story Map

The Jolly Postman visited the Gingerbread man. This lead to us drawing our own gingerbread men on the 2Simple ICT program. We created our designs using 2paint, and with mouse control.

Children designed Gingerbread men and used different materials to decorate. Some designs had split pins to create a moving design.

Our Jolly Postman was
with 'Dave'. He was
happy to share his
classes

"Have you ever read the
story 'The Jolly Postman?'" (Esther)

"No, I haven't, but I shall
add it to my reading list!"

"What time do you get up to
start delivering the post?" (Isobelle P)

"I get up at 4.45am! Our first round
is to be started at 8am. Before that
we are in the office preparing for our round"

Polar bears asked questions and these

"I've been a postman for 37 years"

"We deliver in all weathers"

"We wear high

a 'real' postman and he was
Postman experiences with the Reception

"How do you travel around
when you are delivering your
post?" (Cole)

"I drive to one area, and
deliver to 1000 houses and I
walk to each house! I
sometimes have a bag, or a
brolley!"

"How do you
carry all of your
boxes and letters?"
(Archie)

"Boxes and large
parcels are delivered
in a van. Just like
Postman Pat!"

"How do you know where you have
to go?" (Evie)

"We have our set rounds and we have a
'sat nav' device that we carry."

are some answers:-

"my bag weighs the equivalent of 6 bags of sugar!"

"vis jackets"

"We have 30,000 parcels daily. With 80
staff we distribute all these every day!"
