

What would life be like if I were a monarch in the United Kingdom?

We talked about what we thought life would be like as a King or a Queen in the United Kingdom. A lot of our ideas were drawn from our experience of Disney movies, cartoons and stories we have read.

You rule the world,
wear a crown and
make laws. ES

You have lots of
gold and money. SF

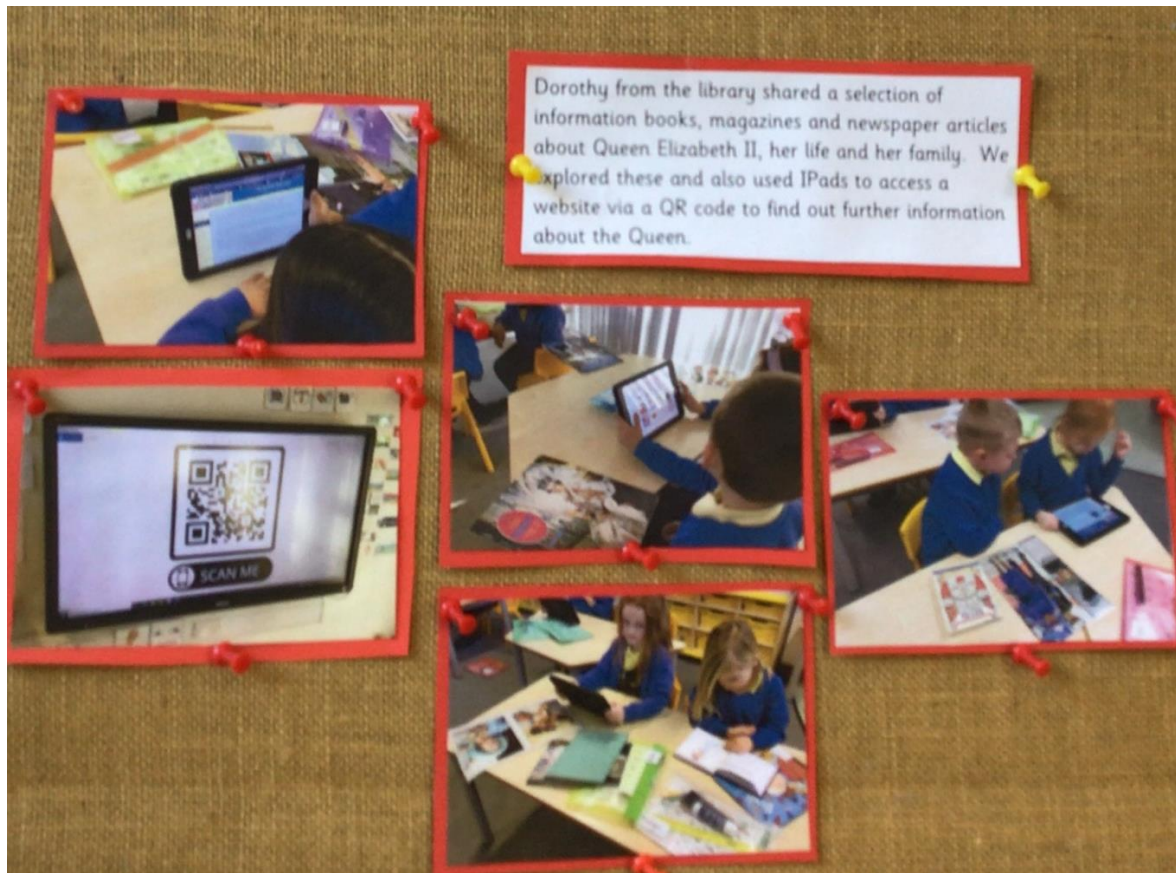

The Queen in
Frozen has an ice
palace. AP

You ride in a
golden carriage.
AA

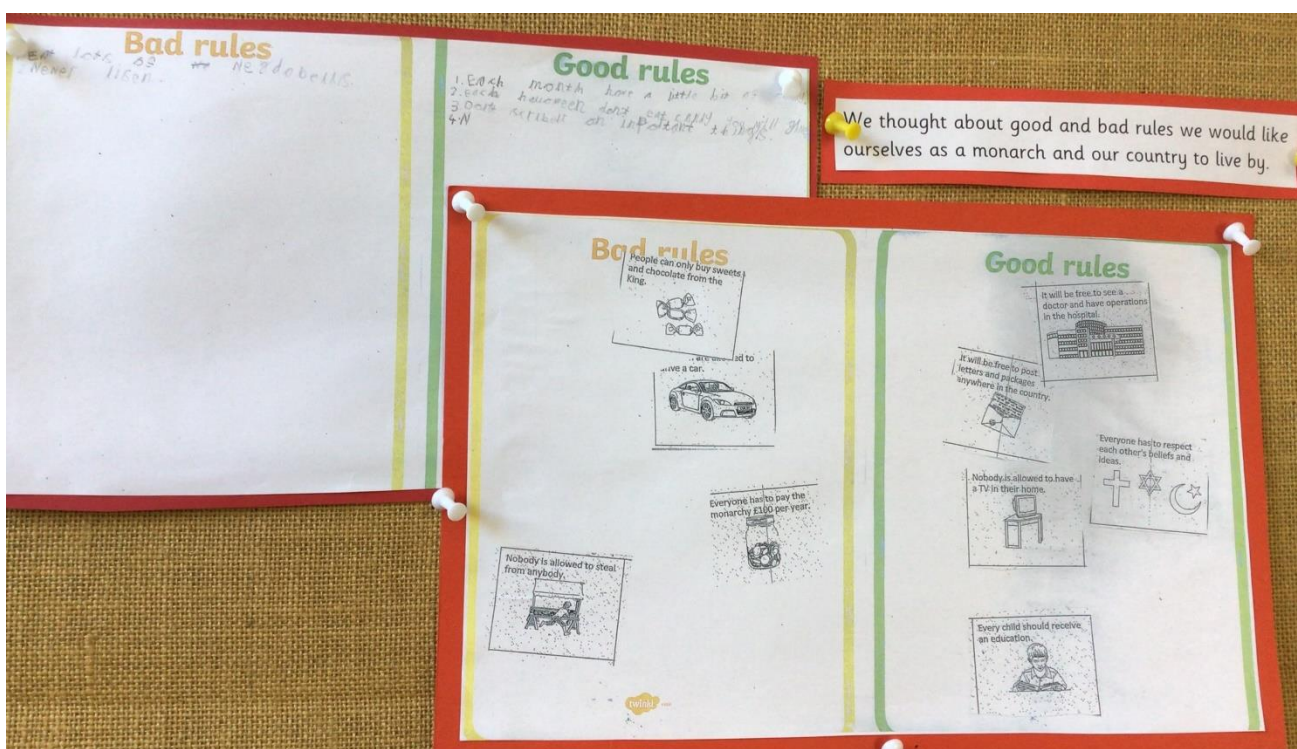

You have a big TV
and lots of things.
HR

You get to name a
dog. NL

Dorothy from the library shared a selection of information books, magazines and newspaper articles about Queen Elizabeth II, her life and her family. We explored these and also used iPads to access a website via a QR code to find out further information about the Queen.

We thought of good and bad rules we would like ourselves as a monarch and our country to live by.

We learned that if you belong to the royal family there is a line of succession to the throne. We looked at the history of some monarchs in the United Kingdom and ordered them onto a timeline developing our historical knowledge.

L.O. timeline

Princess Elizabeth was born on 21st April 1926

Princess Elizabeth's father became King December 1936.

1947 Princess Elizabeth married Prince Philip.

In 1953 she was crowned Queen Elizabeth II.

1977 Queens Silver Jubilee, 25 years of being Queen.

2022 Her Majesty The Queen will become the first British Monarch to celebrate a Platinum Jubilee, seventy years of service.

We still had some questions we wanted to know about Her Majesty the Queen so we wrote her a letter asking questions about her life. We took our letter to the school office where we watched Miss Whelan use a Franking machine to add a stamp to our letter. We looked at stamps with the Queen's head on. Our letter was on its way to Buckingham Palace.

We learned that this year is Queen Elizabeth II Platinum Jubilee so as a way of celebrating we made our own sandwiches and had a royal tea party in our class.

We received a reply to our letter from Queen Elizabeth II. We were all so excited!

To: The Pupils in Year 1 at Bridgewater Primary School

The Queen wishes me to write and thank you for the splendid letter which you sent to Her Majesty on the occasion of her Platinum Jubilee.

The Queen was glad to hear from you and, although unable to reply to you personally, Her Majesty greatly appreciated the nice things you said.

I am to thank you again for your messages of good wishes to The Queen in this, her Platinum Jubilee year.
