

WHAT IS A MINIBEAST?

We started with a class discussion to find out what we already knew.

We read books about worms.

Went digging for worms.

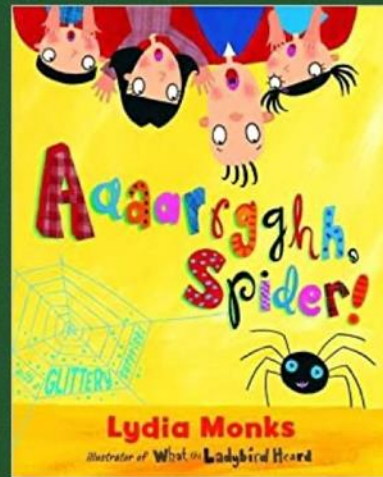

Talked about what we could see

Made a wormery and watched the worms make tunnels.

PIC•COLLAGE

We read books about spiders!

We made minibeasts using natural objects.

We went to Saltwell Park and looked for different minibeasts.

Alexa from the British Ecological Society took us on a bug hunt and we planted marigolds because insects are attracted to the bright colour.
