

### Summary of Priorities for 2022/23

- Further develop our curriculum intent, implementation and impact in all areas to ensure all children receive a good quality of education. Continue to embed enquiry based learning into our curriculum and develop all staff's pedagogy in line with research about how children learn.
- Maintain above average attainment and progress in Reading, Writing and Maths and continue to narrow the gap between all groups of learners and particularly the bottom 20%. Improve attendance to pre pandemic levels.
- Continue to develop vocabulary knowledge and oracy as we work with Voice21.
- Develop spelling and writing across the school.
- Continue to develop our social curriculum through using Thrive, OPAL, Commando Joe, Skills builder and Zones of Regulation.
- Continue to develop our Early Years curriculum and assessment in light of the changes to EYFS, the Reception baseline Profile and wider curriculum.
