

ACCESSIBILITY PLAN

Introduction

At Bridgewater our policies are regularly reviewed. This reflects current practice within school and all related government guidance and statutory requirements.

At Bridgewater we are committed to an inclusive curriculum and increasing access to the school's facilities for all by:-

- a. Increasing the extent to which disabled pupils participate in the curriculum
- b. Improving the physical environment of the school
- c. Improving the delivery to disabled pupils, parents, carers and visitors of information which is already available to those more able.

A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse affect on his or her ability to carry out normal day-to-day activities.

PUBLICISE THE PLAN

Ensure the full plan is available on request in a variety of formats (large print and electronic)

IMPLEMENTATION

Implement the plan by allocating adequate resources in the financial plan

EVALUATE THE PLAN

Consider :

- Is there greater satisfaction of disabled pupils and their parents with the provision made for them?
- Evidence of the greater involvement of disabled pupils in the full life of the school
- Observable changes in staff confidence in teaching and supporting disabled pupils with a range of needs
- Audit on the main curriculum areas
- Progressive improvement to the physical environment of the school
- Information for pupils, families and visitors available in a range of formats

ENSURE THE FUTURE OF THE ACCESSIBILITY PLAN

The plan has become less of an independent strategy and more of a thread running through all the school's plans and policies including plans related to capital works and premises management, curriculum, information technology support services, staff training and associated services.
