

# Our Enquiry Based Learning was launched with a question...

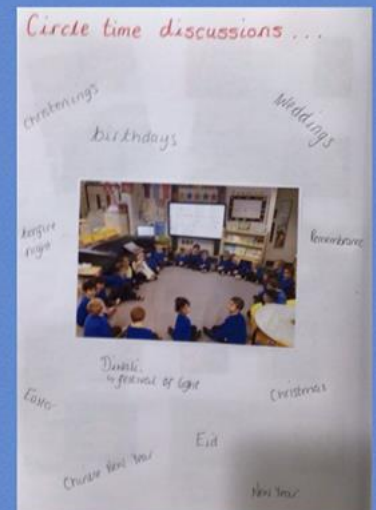

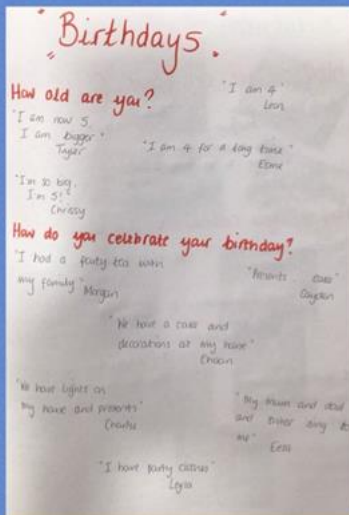

# We began with a class discussion...

During circle time,  
we learnt about  
bonfire night,  
armistice day,  
birthdays,  
christenings, Easter,  
Christmas, Diwali,  
Eid and New Year  
celebrations...

Whilst on our school trip, we interviewed an elf to find out about her job at Dobbies garden centre...

We learnt new skills

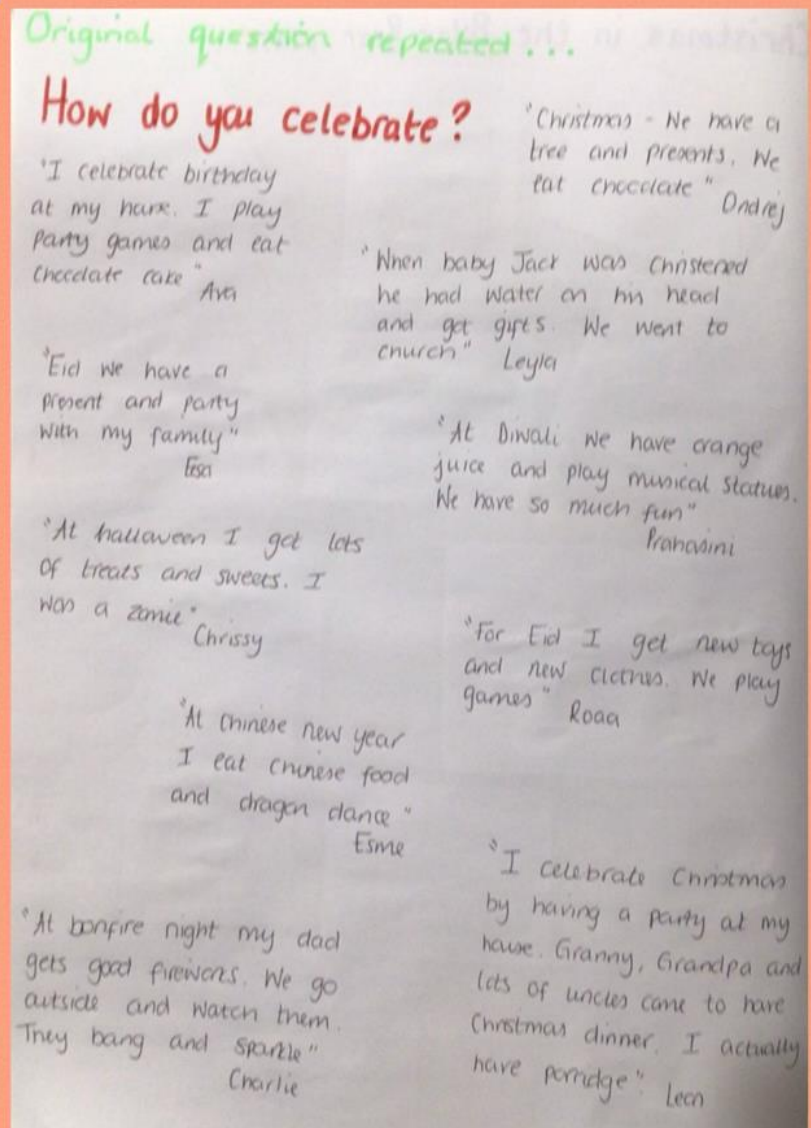

We thought of many questions to ask Alex

# We revisited our original question...

All children were able to discuss celebrations.

The children could talk in detailed sentences referring to what we had learnt this half term.
