

Reception Brown Bears

Enquiry Based Learning- Summer Term

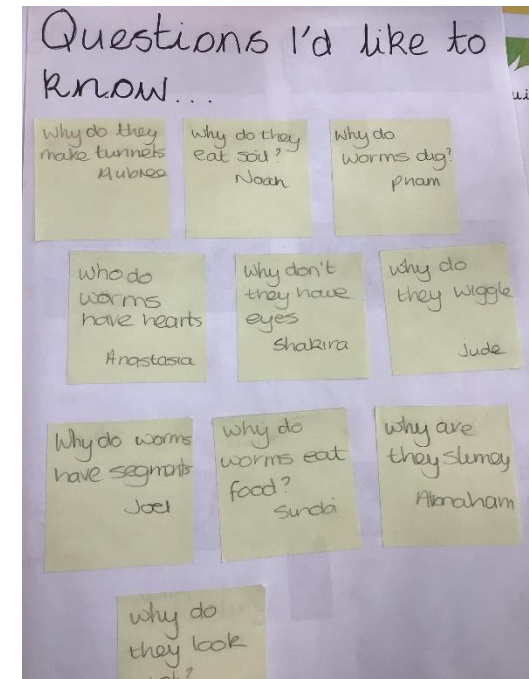

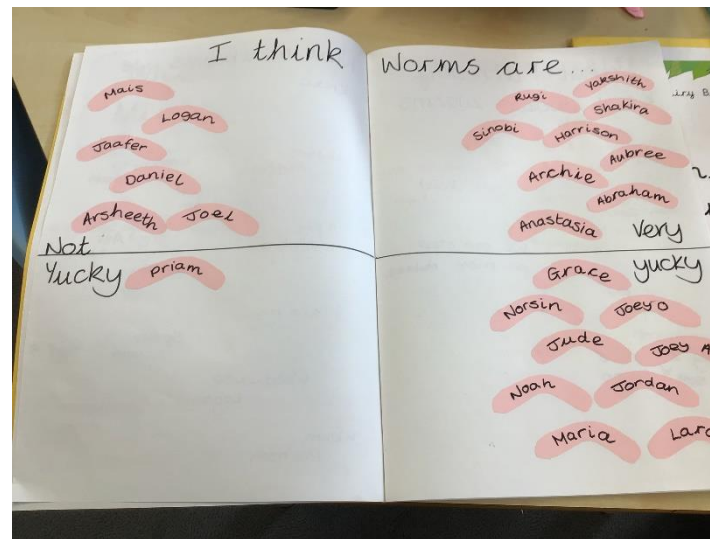

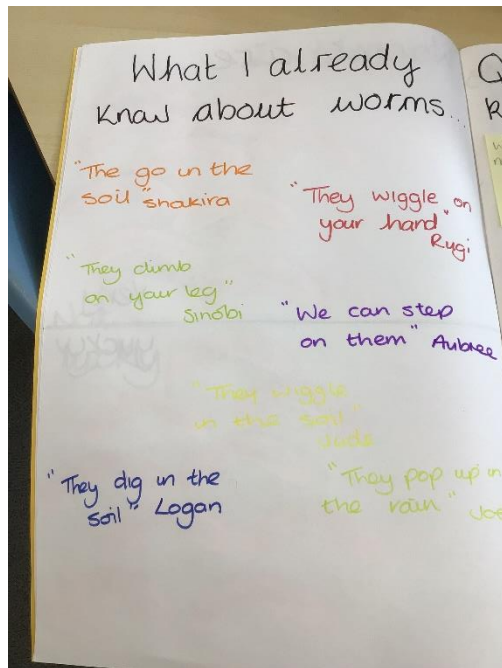

Where do minibeasts live?

We started with a class discussion to find out what we already knew.

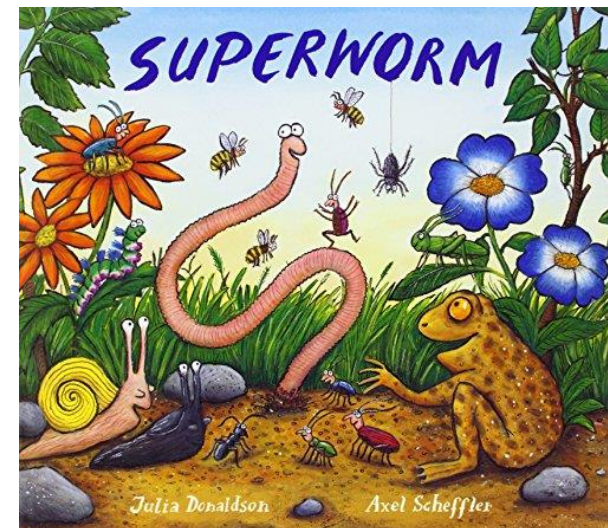

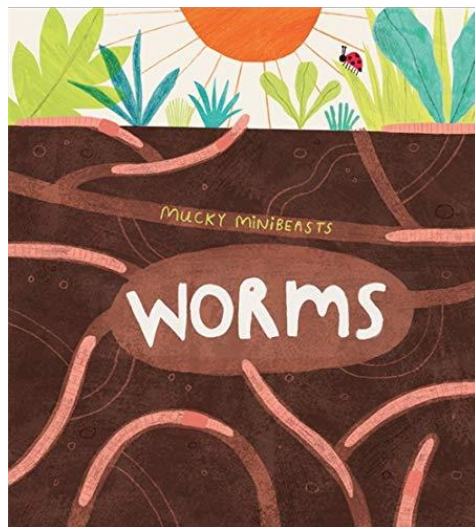

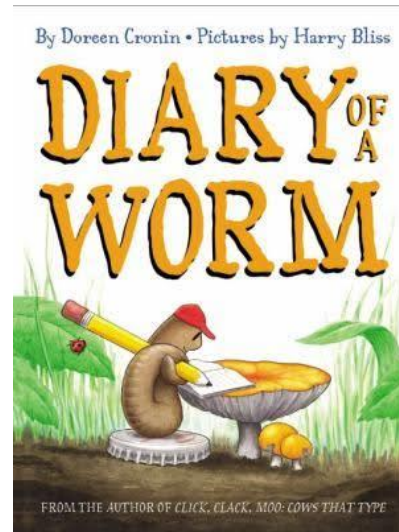

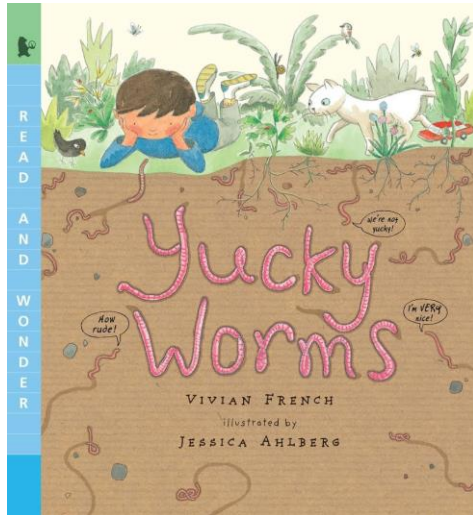

Worms

We asked the children about what they already knew about worms, what they thought of worms and what they would like to find out.

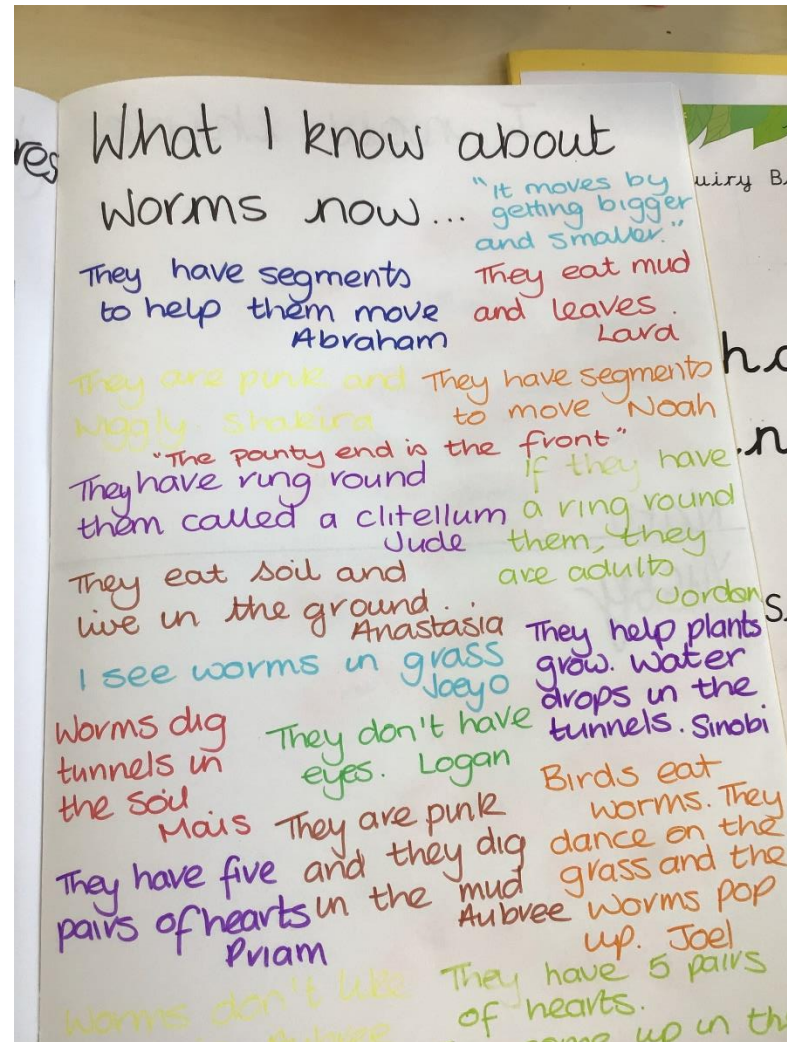

We read books about worms...

Went digging for worms

Now look at what we know about worms!

We went to Gosforth Nature Reserve to find out about where other minibeasts live. We went on a bug hunt...

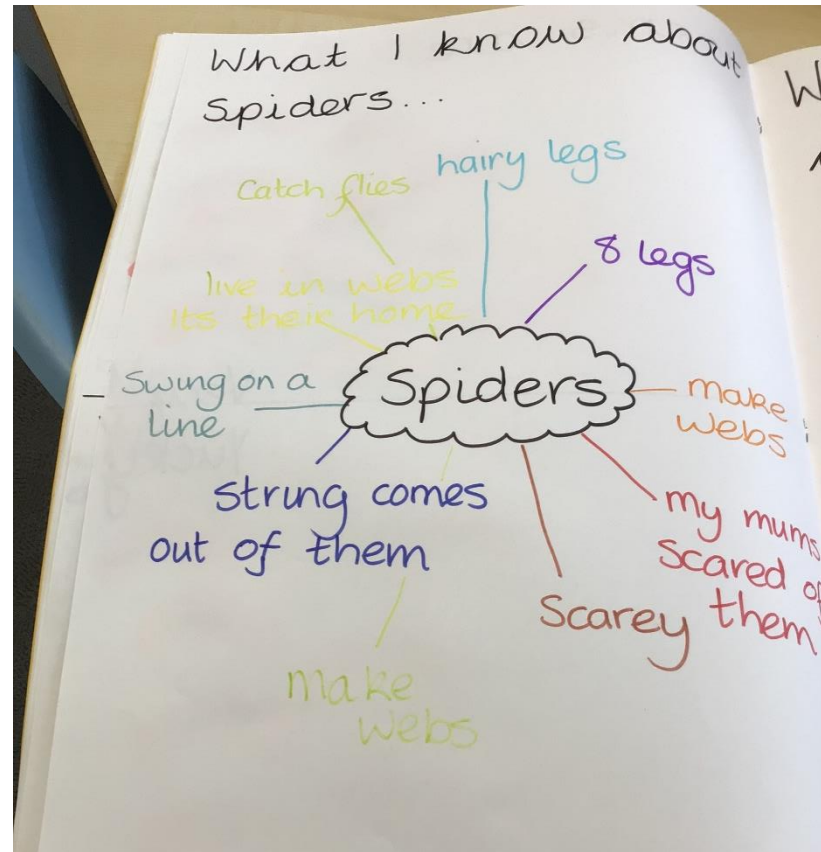

*and pond dipping! We found,
butterflies, woodlice, pond beetles and
even a tadpole.*

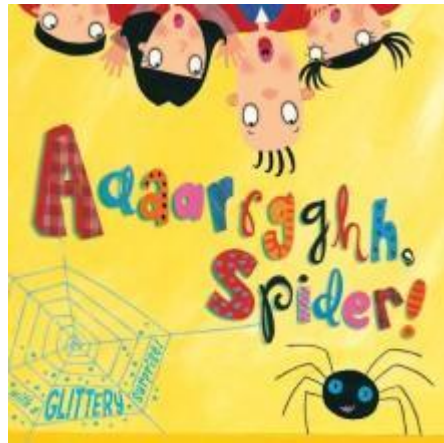

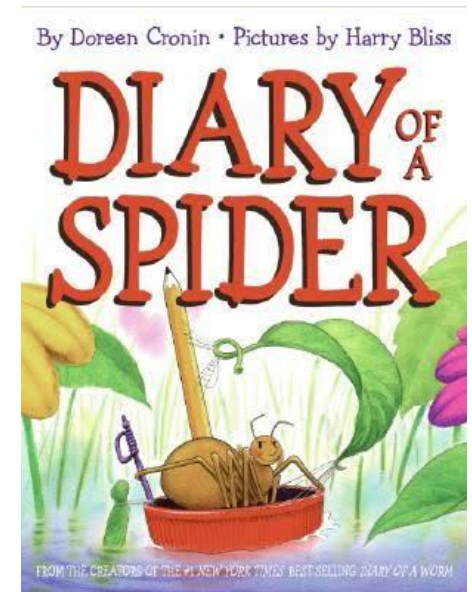

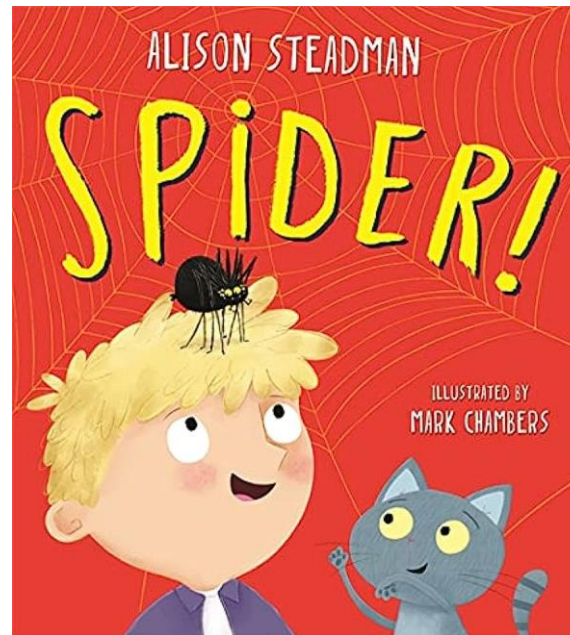

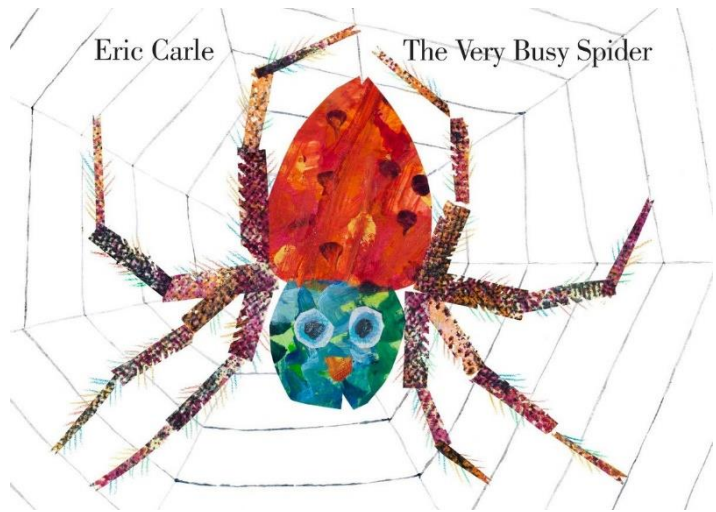

Spiders

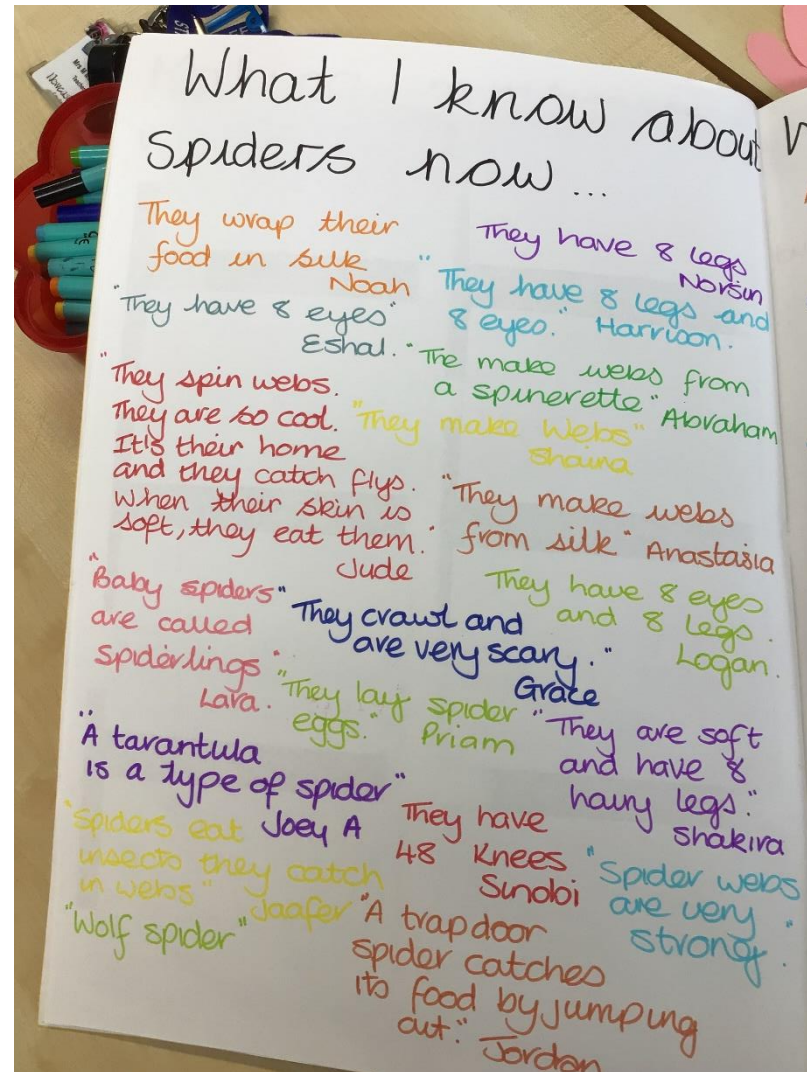

We asked the children about what they already knew about spiders.

We read fiction and non-fiction books about spiders.

Now look at what we know about spiders!

We made minibeasts using natural materials.

We asked our questions again. Now look at what we know!

What is a minibeast?

A type of creature "A bee" Shaina
Noah

Its a little beast like a damsel fly from
A little tiny creature. Little creatures like ants and spiders. Norsin
