

## Year 2 Seals - Enquiry based learning - Summer 2023.

### How did the story of Grace Darling impact upon the role of a sea rescuer today?

#### Beginning of the process

We found out about Grace Darling by using videos, books, websites and the Grace Darling Museum website. We also used books and the iPads to do our own research about RNLI. We wrote down what we found out in our whiteboard books.

We visited the Grace Darling Museum in Bamburgh to find out more about Grace's life, her rescue and the impact of her life on sea rescue today.

## Presenting our research and our end products

We found out about some jobs that the RNLI do and compared Grace Darling's rescue to a sea rescue in 2023. We also made some T-shirts to promote the RNLI job roles.

We showed our parents/carers what we had found out by presenting our findings in a class assembly. Great oracy skills were shown.

We presented our findings in a leaflet to encourage other children to consider a career working for the RNLI.

 <p>RNLI The RNLI stands for Royal National Lifeboat Institution. The charity that saves lives at sea sets up in 1824-2023 that is 199 years old which works 24 hours 7 days a week and 365 days a year.
