Playtime

We have so many toys and fun activities in the yard. We have a MUGA for playing sports and a trim trail for climbing. The sand pit has multiple different toys like cooking pots, bowls and cutlery. The building area has pretend bricks and you can create different things like walls, chairs and baskets. *Hollie (year 5) and Esref (year 4)*

P.E.

P.E. teaches us how to stay fit and healthy. Sometimes we do P.E in the gym but we go outside on nice days and get fresh air. We do hockey, bench ball, netball, gymnastics and more! *Louis (year 6)*

School Meals

We love our school meals. One of our favourites is pizza! You can also bring a packed lunch if you choose. *Hala (year 6) and Abdurrah (year 5)*

We wear blue and yellow and you can wear a jumper or a cardigan.

The Year Six children have a different uniform. They wear grey and white so everyone knows they are the oldest in the school and they have to be responsible. *Thomas and Melody (year 5)*

Times Table Badges

To get your times table badges you need work hard to learn your times tables and division facts! *Ahmed (year 4) and Adrian (year 3)*

The Sensory Room

The Sensory Room is an amazing experience! It has a disco ball, stars and lots of fun things. Sometimes we go here to feel calm. *Riley (year 6)*

In Harmony

In Harmony is a fabulous and fun organisation which teaches children the art of music. Violins, flutes, trumpets and more! You can choose either one. What’s even more appealing is that this experience is very rare! In Harmony only floats between 2 schools and Bridgewater Primary is one of them! *Eishal (year 6)*

Wrap Around

Wrap around is like an after school club where you get to play with Lego, draw and do other fun activities. You get to have a snack with Caroline and Miss Crawford. *Sahara and Rocco (year 3)*
