

Expressing faith through arts

We will be exploring and investigating:

How religious beliefs, ideas and feelings can be **expressed in a variety of forms.**

That religious beliefs can be expressed through the **creative arts.**

How and why expressing faith involves **feelings and emotions.**

That **drama** is a means of reinforcing important stories and teachings in religions.

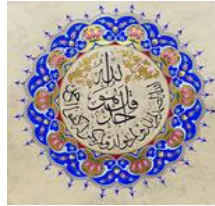

How and why in some religions, **music is a form of expressing faith**

That in some religions there is a **link between scripture and music.**

That some religions do not use art as a means of expression for their faith.

How to **compare and contrast the use of art** in religions.

How **art/calligraphy/Arabesque** can be used in similar and different ways in Christianity and Islam.
