

What is the significance of The Newcastle Keep to Newcastle City?

Y6 Zebras – Autumn 2023

During our History lessons this term, we have been learning about Crime and Punishment

through the ages and have been reading a class novel called, 'Walking with Witches' in English. The Castle Keep features in this novel

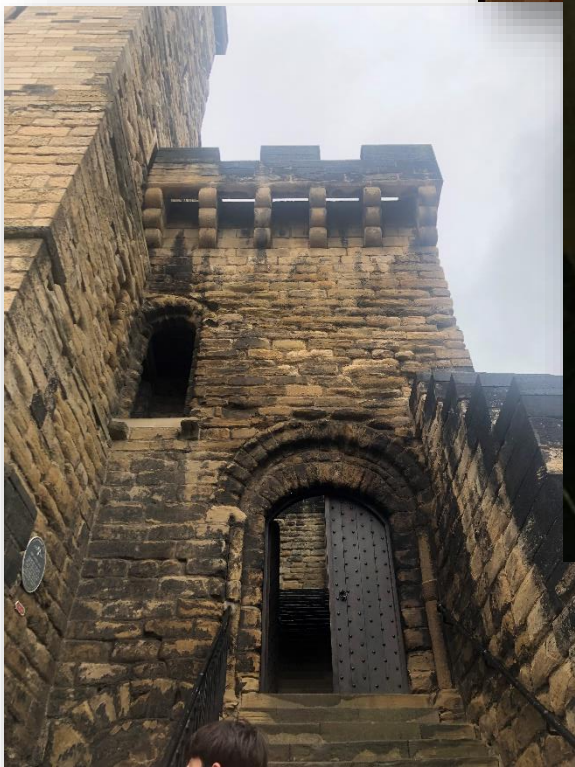

and so our investigation began with our enquiry based learning.

We carried out our own research on the significance of The Castle Keep. We used books, information leaflets and the internet to help us find out information about why the Castle Keep has been so significant in Newcastle's history.

We went to visit the Castle Keep and met with Historians so we could ask them questions and find out more information to help us with our enquiring. They have

been so impressed with our passion and enquiring around the Castle Keep and the witch trials in the 1600s that they have asked us to continue to be a part of a

project to get Newcastle a memorial to commemorate.

After we had gathered all our information and had visited the castle, we produced leaflets on Publisher; which linked to our ICT and English lessons.

Perched on a hill, Castle Keep is one of the only stone keeps in a city centre! Did you know without our castle there will be no Newcastle?!
