

Summary of Priorities for 2025/26

- Continue to review the intent, implementation and impact of the curriculum. Ensuring knowledge is being sufficiently retained, revisited and built upon (incl Ofsted actions). Continue to review how we measure and record the impact of our curriculum.
- Maintain above average attainment and progress in Reading, Writing and Maths and continue to narrow the gap between all groups of learners and particularly the bottom 20% and disadvantaged.
- Continue to develop character, positive attitudes, resilience and self-regulation. Continue to develop children's awareness of different career pathways.
- Continue to develop vocabulary knowledge and oracy through training with Voice21 and Launchpad.
- Continue to develop staff's subject knowledge and pedagogy.
- Continue to develop spelling and writing across the school.
- Ensure robust systems for safeguarding, improve attendance and meet the demands of significant SEND needs.
- Prepare for new Ofsted changes.
