

Reception Brown Bears

Enquiry Based Learning- Summer Term

Where do minibeasts live?

We started with a class discussion to find out what we already knew.

Worms

We asked the children about what they already knew about worms, what they thought of worms and what they would like to find out.

I think worms are...

What do we know about worms?

"They wiggle" Mustafa

"They're all slimey" Blake

"They're long" Randi

"Live underground" Jack

"Live in mud" Zachary

"They move" Irfan

"They live in grass" Yashfeen

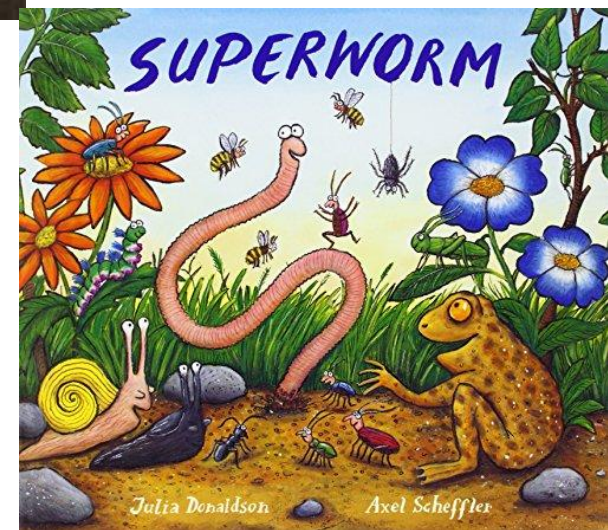

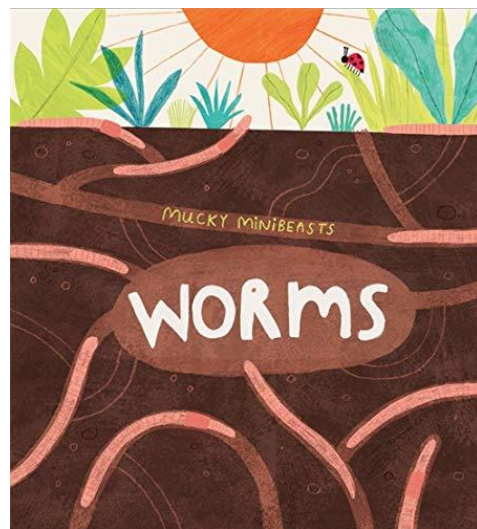

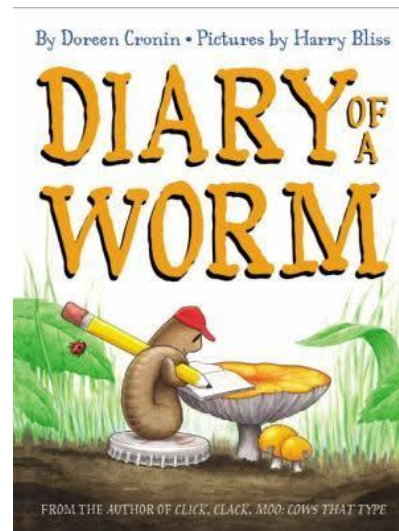

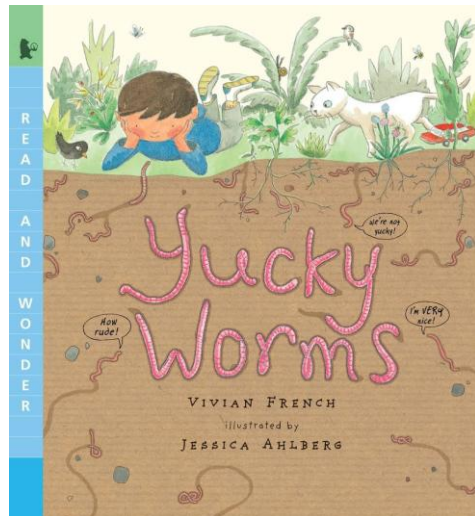

"They eat mud."

"They lay eggs" Mohammad

"They wiggle all night" Leone

"Sometimes they wiggle"

We read books about worms...

Went digging for worms and made a wormery. We watch the worms make tunnels and made observations.

Worm Art

We made worm trails with string and paint.

And used
create worm

patterns to
tunnels

Now look at what we know about worms!

The tunnels help plants grow" Mustafa

Snails

We read stories about snails and created a story map.

Our Snail Trail writing

He went up a big hill.
He went in to a dark cave.

up a hill
strep

We created snail pictures in the style of Matisse.

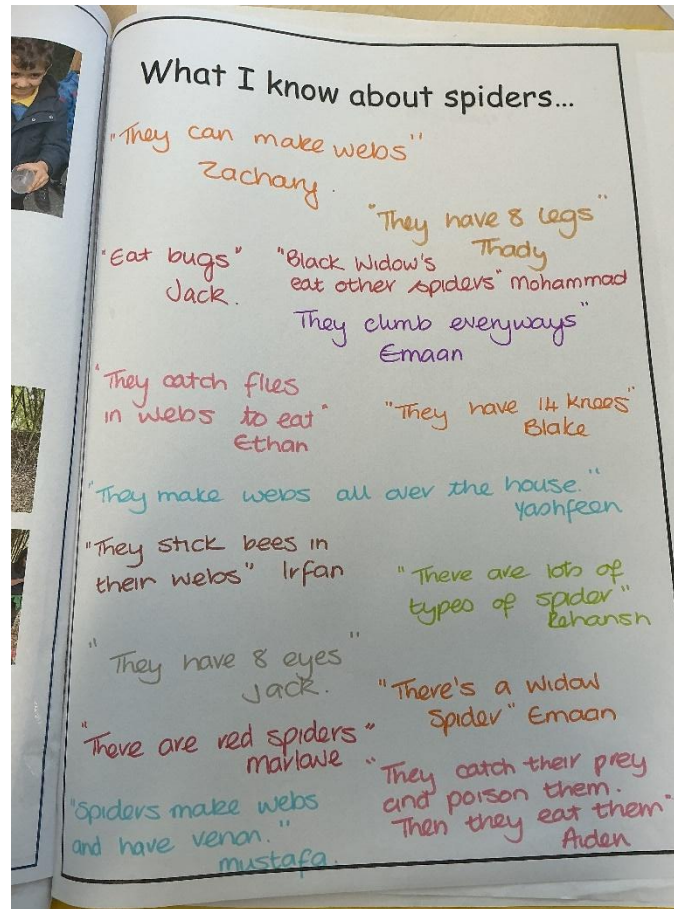

Spiders

We read fiction and non-fiction books about spiders.

Now look at what we know about spiders!

Scotswood Garden

We went to Scotswood Garden to find out about where other minibeasts live. We went on a bug hunt...

Natural Materials

We used natural materials to create our own minibeasts at
Scotswood Gardens

We asked our questions again. Now look at what we know!
